

Safety. Everywhere. Every day.

PROTEK PEOPLE ASSURANCE

Protek People Assurance is an on-demand eLearning and certification program that puts the health, safety, and wellbeing of your employees and customers at the heart of what you do.

Protek People Assurance is more than a certification. Each person who completes the training becomes an Intertek Qualified Personnel.

IQP

Intertek Qualified Personnel

An elite group, in their respective industries, who take pride in their work and regularly go above and beyond industry standards.

A PROVEN RECORD OF SUCCESS

Protek comes from Intertek, a world leader in quality assurance. Intertek is an industry leader with more than 46,000 employees in 1,000 locations in 100 countries - delivering Total Quality Assurance expertise 24 hours a day, 7 days a week, with industry-winning processes and customer-centric culture.

When Ecolab – the global leader in water, hygiene, and infection prevention solutions and services – had an urgent need to test and pre-screen ethanol suppliers for use in hand sanitizers in the current pandemic, they reached out to Intertek North America.

When French pharmaceutical companies were affected by the global pandemic they turned to Intertek France’s Chemicals & Pharma division. Educational programs and tools were adapted to remote learning, and daily on-the-job training for operators and production technicians continued, ensuring that vital medicine continued to be manufactured.

Total Quality. Assured.

“I truly appreciate how you and the Intertek team went out of your way to deliver results so quickly in such a difficult work environment. Your efforts are helping us bring critical sanitizers to frontline workers in order to combat COVID-19.”

ANDREW L. BALLAGE
Global Director | RD&E

MORE THAN CERTIFICATION

Protek helps businesses obtain independent assurance that they are fulfilling their duty of care as they reopen and provides their employees and customers with the confidence they need, everywhere, everyday.

Whether your business is local or global, Protek can help to ensure that you meet the quality, health, environmental, safety, and social accountability standards needed to survive and thrive right now.

Two Protek certifications are available – Delivery Food Safety; and Health, Safety, and Wellbeing. Reach out today to find out how Protek People Assurance can help you navigate these unprecedented times with simple training solutions for you and your team.
